As the Education chair I would love for every Unit to encourage their members to promote the importance's of educating our community by hosting an education forum for upcoming College students, and inform them how to fill out college applications, fasfa, find scholarship as well as complete loan applications.

It is important to help the community, veterans and military families. Also with school already in session the supplies are at minimum, while they are on sale start stocking up and donate to your local schools and put an article in the paper so the community will see American Legion Auxiliary is working hard. If you have questions or suggestions please let me know and I will pass it on.
