

Message from the President's Project Chairman:

Mid-Winter Conference is just around the corner. "Everything Poppies" will be our theme. If you or your unit would like to make a poppy themed craft or donate items to the President's Project table at Mid-Winter, please contact me. Non-poppy crafts are also greatly appreciated. I am looking for homemade goodies, or nice gift items. Please label your donations with your name and number so that we can thank you for your donation. We are asking for crafty, homemade donations. Cute home goods are also acceptable. Great examples are seasonal/holiday wreaths or decorations. If you make canned goods, such as veggies or jams, we will gladly accept those, as long as they have a sticker with your name and contact number (if anyone has any food allergy questions). I would love to have a variety of items to aid in our success. If your unit would like to create a basket for the raffle or silent auction that would be outstanding.

If you are unable to attend Mid-Winter, but you would like to donate items, please contact me and I can arrange for someone to deliver your items.

All the money we raise will be divided evenly between the PTSD units at the four NC Veteran's hospitals

If your Unit would like to make a cash donation, please make your check payable to "ALA Department of NC" and add "For 2019-2020 President's Project" in the memo. Please mail your check to the state office or you can hand it in at Mid-Winter.

Please look out for future emails about our fundraisers and feel free to contact me with questions. You may also reach out to Gladys Fulton and Julie Hogan, we are all working to make sure our fundraisers are a success!
