

GREETINGS AUXILIARY MEMBERS!

HAPPY NEW YEAR!

I feel the need to send a prayer out as we enter into the New Year 2021. Our hearts have been extremely heavy due to the loss of so many people that have succumbed to death as a result of the Coronavirus (Covid-19) and other diseases.

Lord, we come to you today, asking that you heal those who are suffering from Covid-19, cancer, and other diseases. We ask that you put a hedge of protection around us from this virus. Lord, you have healing power to cover this land. Stretch your arms to the hospitals, nursing homes, and other healthcare facilities and touch each body with your mighty healing power. We need you Lord, hear our plea!!

Father God, we ask you to forgive our sins and unrighteousness. Create in us a clean spirit and a righteous and grateful heart.

Father, comfort and strengthen the hearts of those who have lost love ones in 2020. It has been a very difficult year, but we are still trusting and believing you will bring better days and better health. We continue to have Faith and stand on your promise "that in all things God works for the good of those who love him, and have been called according to His purpose." (Romans 8:28).

Lord, thank you for providing a vaccine for the cure of Covid-19. Thank you for protecting our frontline workers and Caregivers. Continue to keep them safe as they administer the vaccine.

Lord Jesus, continue to protect and watch over our Veterans, Active Duty Military servicemembers, wherever they may be during this season. We are so thankful for their service and we shall never forget their sacrifice.

May we all continue to have Love, Peace, Hope and Joy in the coming New Year!!!

I lift this prayer up to you, Dear Jesus!

Amen!!

HAPPY NEW YEAR,
Evelyn Lewis
