September/October
President's Message

I hope everyone has had a safe and healthy summer. WOW! summer went by fast! Here we are planning Fall Conference.

For the first time, I went to the National Convention outside the state of North Carolina. I wish this experience for everyone. I had a great time. I met people I have spoken to on the phone or computer, and they were all welcoming.

North Carolina was mentioned several times and we were on "the big screen". Celebrations to come for our great organization here in North Carolina.

I would encourage everyone to attend the Division Meetings this fall and then come on to Raleigh for more information. These are the places we all learn.

In the last mailing is a form to fill out for your unit officers, even if they stay the same, please fill it out and return it to Department.

The President's project is the General Fund...please bring items to be sold, things you have canned vegetables, jelly, jams, apple butter, cookies, cakes, and homemade candies. I would be grateful for your support of our General Fund.

If anyone has any questions or concerns, please reach out to your District or Division Presidents as well as me.

Looking forward to seeing everyone on October 28th and 29th in Raleigh, N.C.

Mary Bartlett, Department President
