Chaplain's Message of Faith

My Fellow Auxiliary Members!

The past few months have been with many trials and tribulations! But, we know that God tells us that there would be days like these. We have gone through Covid-19 illnesses, cancer, other diseases and death. We have all been affected by this Pandemic whether it is contracting Covid-19, loss of job, loss of home, loss of business, or loss of Faith. The list is so extensive that I can't name them all. However, with the help of our Lord and Savior Jesus Christ we will persevere.

We must continue to Trust God and maintain an "Unbreakable Faith." When we face any loss, disappointment, or difficult circumstance, God invites us to be honest with Him. He can handle our ever-changing emotions and our questions. He remains with us and refreshes our spirits with enduring hope. Even when we feel like our lives are falling apart, God can make our faith unbreakable. (*Isaiah 26:3-4, "You will keep in perfect peace those whose minds are steadfast, because they trust in you. Trust in the Lord forever, for the Lord, the Lord himself, is the Rock eternal."*)

Lord Jesus, we ask you to forgive our sins and to continue to look down on us with your constant love and provision. We thank you for your forgiveness!

Heavenly Father, although there is a vaccine for the Coronavirus, many are still contracting this disease. Lord, we ask you to multiply the vaccine supply so those on the waiting list can be accommodated. Father your Grace and Mercy is sufficient as long as we keep the Faith.

Dear Lord, we shall never forget our Veterans and Military families. We pray for their safety and that you continue to keep them from harms way.

In Closing I want to leave you with this thought; "Our Faith is the recognition of God's Faithfulness." (Hudson Taylor)

In God we Trust,
Evelyn Lewis
