

CHILDREN AND YOUTH

Happy New Year to you all!!! from your Children and Youth Committee.

Let's make this a happy new year for the children of our veterans and active-duty military! Two huge initiatives from National this year are the [1.] **YOUTH HERO AWARDS/GOOD DEED AWARDS** and [2.] **MONTH OF THE MILITARY CHILD**. These are two projects in which every Unit, large or small, can successfully participate. What better way can we honor our veterans and active-duty military than support and award their children? This takes action and very little money. Will you give your time?

[1.] YOUTH HERO/GOOD DEED AWARD:

This is how our ALA Units can recognize in our communities who demonstrate good citizenship, either through a brave physical act or good deed.

[2.] MONTH OF THE MILITARY CHILD:

April is the month of the Military Child!
