

Presidents' Project Chairman

Wendy Edmiston

For our Department Convention, we are going to use the colors of red, white, and blue!

Any items you would like to donate will be greatly appreciated.

With Flag Day, 14th of June, we thought it would be great to share patriotic theme items.

If you have any other items to share, they will also be welcomed. Such as homemade goodies, jewelry, etc.

Thank you, Willa White from Unit 77, for helping with the table at the Mid-Winter Conference.

Thank you, members, for donating those beautiful baskets, they were a great hit.
