

WE NEED YOUR MEMBERSHIP IN THE DEPARTMENT OF NORTH CAROLINA AMERICAN LEGION AUXILIARY

It is already time to work on the 2020-2021 Membership and I am getting reports from Units that are already working membership and some are still finishing up on trying to retain members for 2019-2020.

Each Unit should contact their members and send them a letter telling them how much they mean to the American Legion Auxiliary and our Veterans. Due to COVID-19, some are not meeting just yet and if you could put a stamped, self-addressed envelope in with the letter it might help members to just write a check and mail their membership to the Unit. REMEMBER, membership is due beginning July 1, 2020 and is delinquent 12-31-2020. Every officer should pay upon receipt of their packet so when the numbers come in we have NO zero Units. I put in your packets the Membership Program Action Plan and what National is expecting from all of us.

As a continuation of 2019-2020 to 2020-2021, we will be working to RETAIN our members and RECRUITING NEW members. I am getting reports of Units already collecting membership and recruiting new members! We must work to make this another GREAT year. I am very proud of the percentage of membership for 2019-2020. Everyone has done a great job! I am excited to see what our Units do with membership 2020-2021. We are still 7th in Membership in the Nation! Thank you ALL for working Membership!!

LET'S BE NORTH CAROLINA PROUD AND GROW OUR MEMBERSHIP IN 2020-2021!!!
