Message from President Jill Puett

I hope that all are enjoying their summer. It is exciting coming out of the COVID shutdown and being able to meet together. I know we were all so excited to be together for Convention and be able to see each other face to face. However, we still have some people that are getting COVID so please be careful, wear your mask if you feel more comfortable.

This year, my theme is "REBUILD AND GROW OUR FUTURE". We have many that did not renew last year but the Units are already working and the membership is coming and so are NEW members. We all want to keep a positive attitude and we will see our organization grow.

Our District Meetings have started and have gone well and I am excited about the number of Program Chairmen or Committee Members that have been at the meetings to explain the programs. My thanks to ALL that are working to explain to others who we are, what we do and why we do it. Contact all your members and ask them to attend the District meetings. I look forward to traveling across North Carolina and visiting with all of you.

Remember our mission statement of Service, Not Self. What we do is to help our Veterans, our active Military and their families, and our Children and Youth.

Let's be North Carolina Strong!

Jill
