

Support Our Department's General Fund

Due to the generosity of our late PDP Theresa Weybrew, we have been donated a large collection of jewelry that Theresa collected over her many years of service to the American Legion Auxiliary – in fact there are over 100 pieces, and many are “vintage”! Proceeds from the sales will benefit our Department's General Fund. We will soon be photographing various pieces and posting those photos along with prices on our website: www.alanorthcarolina.com. Any unsold pieces will be brought to our Mid-Winter Conference in February to offer those pieces for sale at that time. *Watch for future announcements once the pertinent information has been posted to our website.*

Also remember the RADA Cutlery fundraiser which benefits our Department's General Fund. Those quality products are made in the USA, and our Department receives 40% of the sales price. Order online at <https://radafundraising.com> and search for “American Legion Auxiliary Dept of NC” so that we benefit from your purchase. Christmas is coming – do your shopping and support our Department's General Fund from the convenience of your own home!

Janice MacLeod, Finance Committee Chairman
