

Chaplain's Message
Susan Jones

Hello beautiful Butterflies as the new year begins let use our colorful wings to shine with love for the ALA.

When we shine with love to others how can they not smile and pass it on to others in our community's. As your dept Chaplain I am here for your needs whether it's for prayers of comfort or just a friendly ear to listen I am always here for you.

Remember to let me know if I need to send a card to a unit member. I am also looking for prayers, poems, your favorite bible verse and pictures of sunflowers or butterflies for Madam Presidents prayer book.

My favorite verse is Philippians 4:13 "I can do all things through Christ who strengthens me." Let us use this strength for the betterment of our organization, state, and our Nation.
