

Hello Auxiliary of North Carolina –

This is Juli Zajc, and I am your VA&R Chairman this year. I am excited about this year, and I have a few goals.

First goal is education of our members. I personally learn something every time I am around my Legion Family. I want to provide as many details as possible on what we do for VA&R. To do this, I will be sending out email newsletters, social media posts and lots of conversations.

Second goal is meeting our Fair Share. I would like to see every Unit stretch to add just a little bit. To achieve this, I am asking that you round up to the nearest \$5 amount. Example is if you have \$42 obligation, please send \$45.

Third goal is to introduce you to all our Representatives and Deputies. These members are amazing and dedicate so much to our veterans. We have a few new names and faces and some that have been around for many years.

I am sure I will produce many more things as the year goes on. If you want to be included in these emails, please send me an email to [juli@zajcfamily.com](mailto:juli@zajcfamily.com). I will send out all through Mailchimp.

Please make sure you send all VA donations through the Department so we can record, report, and recognize.
