

Charles A. George VAMC Asheville

The Charles A. George VAMC in Asheville is initiating a new program, "Specialty Meals" for hospitalized veterans. It is sponsored by the Veterans Service Organizations. This gives the patients a special dinner that includes items that are not on their regular menu. The menu includes the patient's choice of prime rib, crab cakes, or Condon bleu, a salad, baked potato, a vegetable, dessert, and a drink. The cost will be \$800.00 to serve all in-patient veterans for the designated date.

The Auxiliary has committed to donating \$800.00 for the month of June. Your unit's donation toward this goal would be greatly appreciated. ***Send your donation to Department Headquarters and designate it to be used for the Specialty Meals at the Asheville VAMC.*** Report your donation to Anne Morris, [morrissanne123@gmail.com](mailto:morrisanne123@gmail.com).
