

AMERICAN LEGION AUXILIARY
MARCH/APRIL
PRESIDENTS MESSAGE

This year I am still carrying out my theme of "REBUILD AND GROW OUR FUTURE". We must continue to grow our Department and we do that with renewing our members and signing up new members. National membership is asking that we take each Units past due membership reports of members who paid in 2021 and call them and ask that they renew. It is the beginning of spring and I have heard many reports from Units that are busy carrying on our Mission. Thank you all for working the Mission of our Veterans.

Mid-Winter Conference was a great time shared with National President Kathy Daudistel. She was here with National Commander Paul Dillard and National SAL Commander Michael Fox. It was great having them and Kathy has told me she enjoyed her time spent with our Department and she looks forward to seeing us at National Convention in August.

We are nearing the end of our year and I want to remind everyone that your Year-End Reports are due in April. Units please compile your end of year information and send to your District President, District Presidents will get their reports to their Division Presidents who will write up their Division reports to me. Unit Presidents need to get their Program reports to the Program Chairmen so they can get them to me and they will also report to their National Chairmen. Program Chairmen get your reports to the Department Historian for the electronic year book. Please brag on your Units and what they have done for our Veterans and Children and Youth.

Remember to brag about what your Units have done for our Veterans, Children & Youth and active due Military. You have worked hard this year so don't let your work go unnoticed. Remember, it is not about you, me or us, it is about our Veterans!

Thank you for being great members for the Department of North Carolina!

Jill Parker Puett, Department President
