RESOLUTION

RE: Division & District Meetings

Presented by: Cary Unit # 0067

Resolution No. _____ (assigned by Resolutions Committee)

WHEREAS, at the 2019 Department Convention, *Article VI Division Organization & Article VII District Organization* were changed so Division Meetings would be held in the Spring and District Meetings in the Fall; and

WHEREAS, that action was taken to provide information for Unit chairmen earlier in the year; and

WHEREAS, we now know Division Meetings held in the Fall were more advantageous to Unit chairmen, allowing information to be distributed earlier in the year. Having District Meetings in the Spring gave Units the opportunity to carry out programs before having to report their accomplishments; and

WHEREAS, it was found that scheduling fifteen (15) District Meetings in the Fall was very challenging, especially due to regular Legion College sessions, National Convention and many regular National holidays and observances occurring prior to the end of our calendar year; and

NOW THEREFORE, it is recommended we reverse the action taken at the 2019 Department Convention;

RESOLVED, Article VI, Division Organization, Section 1 shall be amended as follows:

Present Reading: The Division Meetings shall be arranged in the Spring through the consultation of the Department President, the Division President and the Unit President hosting the meeting.

Proposed Reading: The Division Meetings shall be arranged in the Fall through the consultation of the Department President, the Division President and the Unit President hosting the meeting.

FURTHER RESOLVED, Article VII, District Organization, Section 1 shall be amended as follows:

Present Reading: The District Meetings shall be arranged in the Fall through the consultation of the Department President, the District President and the Unit President hosting the meeting.

Proposed Reading: The District Meetings shall be arranged in the Spring through the consultation of the Department President, the District President and the Unit President hosting the meeting.

This action was proposed and passed at a regular monthly meeting of Cary Unit # 67 on April 33, 2022.

Jana E. Day
Unit President

Judith Denise
Unit Secretary
