

Happy Fall to all the Butterflies in North Carolina!!!

I can't believe we are approaching Veterans Day, Thanksgiving, and Christmas. Time is really moving fast! We will soon be entering 2023 and I am so excited to witness what the Department of North Carolina will bring into the New Year as far as Membership.

Auxiliary Members, our Membership is growing rapidly, and I am so grateful to each of you for your dedication, commitment, and determination to reach our scheduled goals. At the Fall Conference, October 29th, we met the 50% goal that was set for Veterans Day, November 11th. North Carolina is at 61.76% in Membership as of November 3, 2022. Needless to say, North Carolina has been leading the NATION in Membership!! I am so proud to be the Department VP/Membership Chairman 2022-2023.

Our next Department Target is 75% on or before December 7, 2022 (Pearl Harbor Day). I feel very positive that we will reach this goal, in that there are several District Presidents over 70% presently. North Carolina's Membership Team is a hard-working group, encouraging our Units and District Presidents to soar into the sky with "mighty wings" passing the "checkered flag into the victory lane of National President Vickie." We can do this!!! Let us continue to Recruit, Recruit, Recruit, Renew and Retain.

As we celebrate Veterans Day this week, please remember to say "Thank You" to our Veterans and active-duty Military Men and Woman. "Today...and...everyday...we are grateful for our Military Service personnel, past and present and the families who support them!"

Have a wonderful Thanksgiving and Merry Christmas to ALL!!

For God and Country,

**Evelyn Lewis
Department VP/Membership Chairman 2022-2023**
