

MESSAGE FROM DEPARTMENT CHAPLAIN:

Hello ALA members. I hope you are ready for a new year, with new goals, new ideas and new friends. It is such a privilege to be your Dept. Chaplain for 22-23. If at any time during the year you need my assistance, please know. I am only an e-mail, text or call away as your spiritual advisor. I will be glad to pray with or for you. Please let me know of any illnesses or deaths within our Legion Family.

As stated in our preamble For God and country; without God we have no country!!

Susan Jones Dept Chaplain

UPDATE ON OFFICE STAFFING:

At this writing, our search for a secretary/bookkeeper is still underway. The HR Committee has been working diligently for a qualified candidate but thus far has not had success. Efforts will continue!

In the meantime, Judy Stancil is working in our office several days a week to process membership, handle mail and perform many general administrative duties. Janice MacLeod, Finance Chairman, is handling financial duties.

You are encouraged to leave voice mail messages or send emails if no one is available to immediately answer your inquiries.
