

President's Project

With so many patriotic holidays right around the corner, we thought we should do a President's Project with our Red, White, and Blue theme. Show your patriotic side on June 8th, 9th, and 10th. The President's Project is for our General Fund this year and this is the last big fundraiser for this fiscal year. Your support is needed for important projects.

Please bring all your wonderful, canned foods, everyone loves them and asks for them. Also, please bring your baked goods once our tables are set up.

I thank you for your support and I am looking forward to wonderful numbers to report.

Wendy
