

Junior Activities

Debbie Harris Chairman

Hope everyone is well and enjoying the warm weather. I'm really excited to work with the juniors this year and hope to recruit more Junior members. The juniors are our lifeline to continue to promote our programs for the Auxiliary,!!! THEY ARE OUR FUTURE !!!!!

I hope the units who have juniors are involving them in the programs and activities of the units. Let them help to serve meals to the veterans and activities involving the veterans. Our Junior President wants the junior members to interact more with our veterans to show them how much they are appreciated.

Our Junior meeting will be held at Faith Unit 327 on April 15th 2023 , and will be a one day meeting. The cost will be 30.00 and would like the juniors to wear their Auxiliary shirts from last year. My committee, along with the Junior President and the Junior chairman of Faith Unit 327 will have a meeting in January to plan for the Junior meeting. More details will follow and be given at Mid-Winter Conference.

Please send me a report on anything special your juniors have done and also pictures !! Don't wait till the end of the year . Would like to have reports throughout the year to send to the Southern Division Jr. Activities Chairman !!!!!

If you need any information on Juniors Activities, please call or email me , or you can go to the National Website (www.alaforveterans.org).
