

Hello North Carolina Butterflies!!!!

Well, we are finally starting our new year!! **The RACE is on!!**  
Where are you standing with membership? As you look at this report for 2022-2023, are you pleased with your current membership total??

Who is the first Goal Unit? Districts and Divisions are you pleased? We are the Great State of North Carolina. We are the Champs from 2021-2022 – a GOAL DEPARTMENT!!

I am attaching an email from the National Membership Chairman, Linda Tome, which shows where North Carolina, along with the entire Southern Division is positioned. So far, it appears we are on the tail bumper of the Western Division who is leading the pack! But we are going to activate our Wings as Butterflies and pass them!! WOOHOO!!

Reminder: There will be a drawing for \$50.00 at Fall Conference (October 28/29) for Units who have submitted their 2022-2023 Unit Officer List to the Department, showing the Officer's membership paid. There are seven (7) Officers listed on this form. **The deadline for this challenge was September 1, 2022; however, in the spirit of LOVE and SERVICE, I am extending this until October 1, 2022.**

Please remember that each Unit is responsible for adding one (1) new member for 2022-2023.

The 1<sup>st</sup> Goal is for a Unit to get 100% of goal by Veteran's Day – November 11, 2022. The Unit will receive a \$25 gift certificate to Emblem Sales!! This is a great opportunity to purchase a couple Unit Guide Books to give to your new Unit members.

We are off to a great start, but we must keep the momentum!!!  
I am very proud of each of you for your dedication and commitment to this great organization.

For God and Country,  
Evelyn Lewis  
Dept VP/Membership Chair
