

Spring Updates From the Durham VA Medical Center

We remain grateful for your generous donations to help the Durham VAMC to meet the needs of their Veterans.

March is National Nutrition Month. Greenville is holding a Food Drive on March 1, but could receive donations after that. If you wish to donate to Durham, please call the Volunteer Office to set up a time to deliver.

April brings the Spring Baby Showers in Durham, Greenville and Morehead City. There are no changes in the Wish List this year. We have been able to give each facility funds due to your generosity, so thank you.

May will bring Poppy Day and Memorial Day. We are making poppy pins to give out in more of our Women's Health Clinics this year. We also plan to honor our Veterans in the ICUs and the Hospice Unit.

In preparation for the Fall, please consider a possible coat drive, including hats, gloves, scarves and boot socks. Sweat-shirts and pants in all sizes will be needed as well.

Finally, please check out the HUD VASH Needs List. As we discussed at Conference, the blow-up mattresses are in high demand as our Homeless Team continues to place waiting Veterans in homes.

Wanda and I will be attending District Meetings in the next few months, so if you want us to pick up donations, we will be happy to do that.

Thank you for all that you do.

Joan Galbraith, Representative, DVAMC, toysfixer@hotmail.com, (H) 919-477-0845

Wanda Moore, Deputy, DVAMC
