

State Headquarters Committee
Judy Stancil Chairman

Ladies, I do appreciate any donations that have been made thus far in our new year!

At the Fall Conference I told you that the emblem for the building is on order and once it arrives, we will have a company put it on the building.

For our new year this year I had asked that we spend our monies for a large bell for the department conferences and convention. Once I stated that someone has offered to donate to us the bell that they have, which will be great! Hopefully that will be in place by our Mid-Winter Conference.

Thank you so much for your help with our office needs.
