### 2020-2021 Mid-Year Junior Report

The Junior Activity committee would like to say Happy New Year to everyone. This year will be a challenge for the Junior Activity committee.

The Junior annual meeting will be a one-day virtual meeting on April 10, 2021. If your unit is interested in participating please see the information at the bottom of the page and let us know by **March 1, 2021**.

We hope to be able to elect new officers. Please check with your junior members to see if anyone is interested in running for President, Vice-president, Secretary, Sergeant-at Arms, Assistant Sergeant-at- Arms, Historian and Chaplain. If you have a junior member who is interested, please email or call me. A letter of intent and an endorsement letter must be submitted to Department Headquarters by March 1, 2021. As a reminder, one of the Junior President's projects is to ask our junior members to participate in the Americanism Essay at National.

As chairwoman I received 2 reports out of 161 units. The report consists of one new member. Due to the Covid many of our units did not have their monthly meeting, but they were still able to have fundraisers and raffles. They used their family and friends to let the community know what they had available for veterans and families. For example, school supplies, hats, gloves, toys, and puzzles.

We have four members that had served the office of Department of North Carolina Honorary Junior President.

Registration for the Junior Meeting is \$15. No personal checks are to be mailed to Headquarters. Units should collect the registration for their Juniors and mail a Unit check to the Department.
