**WE NEED YOUR MEMBERSHIP IN THE DEPARTMENT OF NORTH CAROLINA
AMERICAN LEGION AUXILIARY
Jill P. Puett, Membership Chairman 2020-2021**

Thank you all for working membership! Our next membership goal with National is Pearl Harbor day and the deadline being December 7, 2020. The membership goal for that day is for Department of North Carolina to be 75%! We currently are 61.91%. We can make that goal if everyone contacts each member to get their membership paid. I feel sure that you are all trying to make those calls to help our Department. If we make the Pearl Harbor goal, Department will receive a \$250 check to advance the ALA Mission. We need 797 memberships to make this Goal.

I would like to receive Mid-Year Reports by 12-15-20. December 31, 2020 is our 100% goal date for Units that are 100% to be in the drawing for a monetary gift. I would like to hear from each of you as to the creative ways our units are working membership. I need the reports which can be in narrative form or on our report forms, telling me what you have done to work membership and I will be working on my report which is due January 5, 2021 to our National Membership Chairman. I am looking forward to some good reports and I know I can count on our members to work hard and make North Carolina proud.

Thank you for all you do for our Veterans and our Children and Youth. They depend on us for so much and we owe our Veterans to be there for them.
