### North Carolina Membership

We have been very busy and productive!

After District Meetings and collecting membership all across the state, we have proven ourselves as North Carolinians.

A special gift selected by the National Membership Committee will be awarded to every unit that has signed up 10 new members and entered into ALAMIS no later than June 1, 2022. The form must be signed off on by the Department Secretary. All paperwork must be in National by June 3, 2022.

We can win \$250.00 if we are at 75% by December 7, 2021. It must be in ALAMIS by December 7, which is Pearl Harbor Day. The \$250 comes to our Department.

Today we are at 68.07% and we have 26 days to achieve this and I know we can do it!!

#### Now for a fun contest for us!

If we are the state in the Southern Division with the most 100% units we will receive \$100 to use in membership. Thanksgiving is the deadline!

There are 14 states in the Southern Division and we have been in first place with 100% units all along. We have a wonderful chance here. I have been speaking with units across our great state and so many are so close to hitting this one out of the ballpark.

Any unit that signs up 7 new members by National Caregiver Day, February 18, 2022. Must be paid in Department Headquarters no later than February 23, 2022. Certified forms must be received no later March 1 2022. Your unit will receive a Special Award from the Southern Division. There is only one entry per unit.

We have 15 Goal or Goal-Plus Units today. We have 12 Units that need one or two to be a Goal Unit. All you very proud grandparents don't forget Junior's count also!!! And they are our future in this great Organization. Let's start training our leaders of tomorrow-- today.

We are Seeking Opportunities Achieving Results  
We know how to SOAR!

326 new members have joined us. Thank you to the recruiters but, let's not forget those that are already members, call and check on each one and renew their membership.

Have a wonderful Thanksgiving with your families, stay safe and healthy.  
Merry Christmas and a wonderful New Year. Looking ever forward to the future.

Thank you all from your membership team. 😊
